AAPI Celebration Event and 13th Asian American Day News Release Conference Announcement .

We are delighted to invite you to join us in celebrating Asian American and Pacific Islander (AAPI) Heritage Month between 12:00 Noon - 1:30 PM on May 26, 2023. This event is jointly hosted by the Asian American Association and several local organizations, in collaboration with city officials, at Boston City Plaza. The event will honor the cultural heritage, history, and contributions of Asian Americans and Pacific Islanders to the United States.

Asian Americans and Pacific Islanders have made significant contributions to American society, and it is crucial to recognize their unique experiences, traditions, and cultures. By doing so, we can promote inclusion and recognition of AAPI culture and traditions, foster understanding and respect, and improve living standards of various communities.

During the event, the organizing committee will also hold 13th Asian American Day News Release Conference. Asian American Day (AADay) is a one day event which will be held at Boston Common on the second Saturday of September 2023 (September 9th, 2023).

The event will take place on May 26, 2023 (Friday) from 12:00 Noon to 1:30 PM at Boston City Plaza, City Hall, Boston, Massachusetts, USA. You are welcome to join us for a wonderful afternoon of cultural performances, including Drum Dance, Qipao Fashion Dance, Cultural Products Exhibition, and more.
